From the Officers

From the Chirurgion

There is not much to report since we have not had an event locally in a while. There have been no injuries reported to me from fighter practice. I hope that everything stays the same for the Raid and for the Baronial Championship.

Lady Catherine MacUrsus

From the Chronicler

Hello everyone. Just a reminder that if you wish to submit articles or art work to "The Banner" try and get them to me early to insure they are included in the addition you wish to see them appear. I will gladly make every attempt to see that "the Banner" is informative and entertaining, but that is hard to do with no submissions. Submission deadlines are December 20 for 1st quarter, March 25th for 2nd, June 25th for 3rd, and September 25th for 4th. Other than that, I hope everyone enjoys the upcoming event season and nice weather.

Lady Odette d'Arques

From the Knight Marshal

Greetings!

I hope this report finds the populace in a good mood. For all of those who do not know, please join me in welcoming Count Sir

Rurik to the area he is interested in all aspects of heavy weapons fighting and is always ready to answer questions. Also congratulations are in order for our newest heavy weapons champion Hrafn.

Blackstone Raid News. The battle field schedule will be up on the web site as soon as possible. If you're local try and get your renewal before the raid it'll save time for the marshals. We are also assembling work crews for the fort and mine battles we need a dozen able gentles who are willing to put in an 8 hour day to help. Please contact me for detail.

Summer Event. We are looking into having a summer war college at wine cellar park. It will be for all martial activities (Fencing, Heavy, Archery, Thrown weapons) What I need is pledges from at least 30 local gentles to attend. The prospective date for this event is July 17, 2004. But in order to get as many people from up north and the rest of West Virginia down here we need to have a big turn out. So, make a pledge to come and make this a worthwhile event.

Lord Willem Mac Lear

From the Chatelaine

Spring Greetings,

We have had several inquiries by email on our group by possibly new or interested people in the last month or two. Most of them are from the far boundaries of our Barony, like Beckley and Bluefield. I'd like to continue to hold meetings out of the Charleston area from time to time so

that our distant friends aren't so distant. I could then contact them in advance to tell them that we'll be coming to their area.

Also, I plan on having loaner garb available at Raid again this year. The method of exchanging a driver's license for garb worked out really well last year. Hope to see everyone there.

In Service,
Lady Asynia Vagensdattir

From the Baron & Baroness

Greetings unto the Populace of Blackstone Mountain,

Here we are in March and the busy SCA season is upon us. Upcoming is our Baronial Championship (March 27th) we hope to see all of you there. Come and compete in at least one category. If you don't fight, enter the archery, thrown weapons or A&S. We have many talented people in the Barony and this is our chance to let everyone see our talents. Last year our baronial champions competed in every "Pearls" tourney. We hope to continue that level of participation this year. We would encourage everyone to come with us to these events to support our champions.

Blackstone Raid is only a month away. Have you volunteered your time and skills yet? This is our premier event. We need everyone's help to have a good event that flows smoothly and allows all our members some time to enjoy event activities.

It seems impossible, but Pennsic is just around the corner. It is only 4 months away and it's time we all begin to prepare. I hope we can have another sewing retreat to prepare. The last one was great! The baronial name has been registered for Pennsic so if you are camping with the barony list your group as Barony Blackstone Mountain. We look forward to a great camp this year. Maybe a little drier than last year, we hope!

In Service to the Dream
Tomas and Rowan
